Campbellsville Independent Schools COVID19 Operations Plan September 13, 2021

The goal of the Campbellsville Independent School District is to continue to provide in-person learning for all students in the safest means possible during this Pandemic. With the number of COVID19 cases being so high in our county right now, the Campbellsville Independent Schools Board of Education voted on September 13, 2021 to continue to require masking for all staff, students and visitors regardless of vaccination status. Our administration team along with our board of education will reevaluate later in October to determine if changes need to be made to the plan.

Our District is partnering with Hometown Pharmacy to offer a voluntary Test to Stay program for quarantined students and staff. This is a voluntary program and for those who choose not to test to stay, they may continue to quarantine at home for a period of time.

Quarantine Options

- A 10 day quarantine from exposure date and they may return when symptom free
- A 5 day quarantine with a negative COVID test on day 5 and may return on day 7 if symptom free
- Participate in the voluntary Test to Stay program

The CISD will continue to work with our local health officials to monitor the COVID19 numbers in our community.
